FOUNDATION

## SPEAKER BIO **KEITH BECKER**

**TITLE:** MINISTRY DIRECTOR

**DATE OF BIRTH:** 4/19/1984

Keith Becker's story began on February 6, 2005 when his 18 year-old brother Todd was tragically killed in an alcohol related car accident. The shock and devastation from that tragedy forced Keith to examine and deeply consider the direction of his life. Shortly after Todd's funeral, Keith realized the undeniable reality of death and his need for a life-changing relationship with Jesus Christ. From that realization, he was touched by the Gospel of Jesus Christ, and the Todd Becker Foundation was born.

Today, the Todd Becker Foundation's team of nearly 10 staff travel throughout the Midwest sharing the tragic, yet powerful life and death story of Todd Becker in assemblies to public high schools, challenging students to take the "narrow road" (Matthew 7:13). Since its inception in 2005, over 300 public schools and nearly 60,000 high school students have heard the Todd Becker Foundation's story and message across an 11-state region. Through their outreaches, thousands of Bibles have been given out, and countless lives have been changed through the powerful Gospel of Jesus Christ.
